

SPONSORSHIP CERTIFICATE

Dr./Mr./Ms.....
is an Employee of our Institute/Organization and
is hereby sponsored to participate in Two Days
Seminar on “**FMAST ICE—Formalisms,
Methodologies, Algorithms and Solution Techniques
for ICE Research Problems**” during 15th & 16th
March 2012 at Thiagarajar College of
Engineering, Madurai- 15.

Place:

Date:

Signature of Head of the Institution
(with seal)

CONTACT DETAILS

Dr. M.K.Kavitha Devi

Assistant Professor

Department of Information Technology
Thiagarajar College of Engineering
Madurai-625 015.

Tel: 0452-2482240 / 41 Extn: 601

Mobile: 9842093048 , 9842550862

Email: mkkdit@tce.edu / sgeetha@tce.edu

Who can attend?

Faculty/Researchers from all Engineering colleges/
Universities/Research labs with appropriate
qualification, teaching or working in ICE or related
domains are eligible to apply. PG students in related
discipline are also eligible to apply.

Resource Persons

- Dr.N.Balaji
- Dr.M.K.Kavitha Devi
- Dr.D.Jeyamala
- Dr.S.Srinivasan
- Dr.S.Appavu @ Balamurugan
- Dr.S.Geetha

Registration Fee

Faculty & Research Scholar :**Rs.1500/-**

Student :**Rs.1000/-**

The registration fee includes presentation materials,
certificate of participation, lunch and refreshment for
two days.

Mode of Payment

All payments should be made by a crossed Demand
Draft in favor of “The Principal, Thiagarajar College
of Engineering” payable at Madurai.

Schedule of Dates

Receipt of Registration form with Fee: **26.02.2012**

Confirmation to Participants : **03.03.2012**

Brochure can also be downloaded from www.tce.edu

DEPARTMENT OF INFORMATION TECHNOLOGY

Organizes

Two Days Seminar on

FMAST ICE

***Formalisms, Methodologies,
Algorithms & Solution Techniques for
ICE Research Problems***

15^h & 16th March 2012

Coordinators

Dr. N. Balaji

Dr.M.K.Kavitha Devi

Dr.S.Geetha

College

Thiagarajar College of Engineering is one among the several educational, industrial and philanthropic institutions founded by Late. Sri Karumuthu Thiagarajar Chettiar. This 54 year old Institution is a Government aided Autonomous Institution, accredited by NBA, approved by the All India Council for Technical Education and affiliated to Anna University. The college offers 9 Undergraduate, 13 Post graduate and Research programs leading to Ph.D. degree in Engineering, Science and Architecture disciplines.

Department

The Department of Information Technology has Information Security and Data Base Management System as its theme areas. The department offers an UG programme in Information Technology. The department is pursuing research projects with funding organizations like UGC and EMC². The department has experienced faculties with Ph.D.

Course Goal

"FMAST ICE - Formalisms, Methodologies, Algorithms and Solution Techniques for ICE Research Problems" seminar facilitates the young researchers to gain insight into the quantitative design and evaluation strategies of a diverse category of Information and Communication Engineering (ICE) Research Problems.

Target areas of seminar include formulating the research problem, designing the model, developing the suitable methodology with algorithms which optimize the use of file and memory systems, database systems, computer networks, operating systems, architecture, distributed systems, security systems, and real-time systems applicable to various ICE research domains. In addition, performance evaluation methodologies including mathematical modeling, analysis, model verification and validation, workload characterization, simulation, statistical analysis, experimental design, reliability analysis and optimization are touched upon. Open research issues in each of the domains are also discussed.

Course Outline

15th March 2012, Thursday

- Session 1: Distributed Computing
- Session 2: Recommender Systems
- Session 3: Steganography & Steganalysis

16th March 2012, Friday

- Session 4: Software Engineering
- Session 5: Data Mining
- Session 6: Operating Systems
