

**NATIONAL CONFERENCE ON EMERGING TRENDS  
IN  
KNOWLEDGE ENGINEERING**

**LIST OF SELECTED PAPERS**

	<b>TITLE</b>	<b>AUTHORS</b>	<b>AFFILIATION</b>
1.	A new approach to Numbers in DNA Computing	Grasha Jacob, Dr. A. Murugan	Dr. Ambedkar Govt Arts College, Chennai, grasharanjit@gmail.com
2.	A novel prediction on breast cancer from the basis of association rules and neural network	Sujatha. M Palaniappan .S Pushparaj .T	
3.	Cloud computing an internet revolution	Priya dharshini., Catherine vinnarasi.a	Sengunthar engineering college- Tiruchengode
4.	Cyber crime-credit card fraud	Prabha S., B. Prema	Sengunthar engineering college Tiruchengode
5.	Design of an intelligent automatic meter reading (amr) system using mobile dtmf technology	M. Indumathy, K. Divya, M. Fazila Sultana	Chennai, Tamil Nadu, India
6.	Data Security (Proactive Password Checking)	S.Preethy,R,Bagyalakshmi.	Sethu Institute of Technology, Kariapatti
7.	Knowledge Management in Higher Education Institutions: Proposing a Holistic Framework	Kumar R	Rajalakshmi Engineering College, Chennai
8.	A Feature Based Method to Recognize Vehicle Number Plate	Roy Richi Renold G, Roy Antony Arnold G	Einstein College of Engineering, Tirunelveli
9.	Fast Mining of User Navigation Patterns in Web Logs	M.Thilagu,S.Sathyabama	VLB Janakiammal College of Engineering and technology, oimbatore,

10.	An electronic eye for the visually impaired.	M.Thavaseelan,	PSG college of technology, Coimbatore.
11.	Congestion Avoidance using LALRED ( Learning-Automata-Like Random Early Detection ) Algorithm in Wired Networks	P.Muthumari, E. Manohar	Department of Computer Science and Engineering Francis Xavier Engineering College,Tirunelveli, India
12.	Search and Graph Mining Based Automatic Video Annotation	P.Janet Mr.E.Manohar	Francis Xavier Engineering College,Tirunelveli,Tamilnadu.
13.	A novel approach to manage requirements engineering Issues in a global software development environment	S.Arun Kumar,Dr. T.Arun Kumar	VIT University,Vellore, India. Professor, School of Computing Science and Engineering, VIT University,Vellore, India.
14.	Web Based System for Learning Business Intelligence using Web Mining techniques	P.Bhavani D.Thenmozhi, Asst. Professor,	S.S.N College of Engineering, Chennai.
15.	Effective XML Keyword Search using Statistical Measure and Ranking Method	C.Jayavarthini and Mr.E.Manohar	Francis Xavier Engineering College, Tirunelveli,
16.	ZigBee-based Home Control and Maintenance System using Mobile through GPRS	R. Angeline, M. Jaffer, S. Jayakumar	Chennai, Tamil Nadu, India
17.	Public Key-embedded Graphic CAPTCHA	K.Kiran Kumar, A.Anvitha, K.Vara Lakshmi	-----

**\*\* The above selected candidates are requested to send the camera ready paper (IEEE format) along with the prescribed DD amount on or before 18.11.2010.**

**\*\*\* Every registering author must pay separate registration fee.**
