

Intellectual Property Rights Activity

The Industry Institute Interaction Cell of our college has organized a Two Days Workshop on “How to Identify the patentable ideas from projects works” held on 15th & 16th November 2017 between 9.15AM to 4.15PM at TCE-ECE Seminar Hall. Resource Person Dr.V.Thyagarajan delivered a talk on Identifying the patentable ideas from projects works. The objective of the workshop is to explore the opportunity for converting our research and project work into patent. 48 participants have attended and benefited with this workshop. The following time slot is allotted for the respective Departments for one to one discussion.
