Respected Sir,

M/s Tata Consultancy Services (TCS) will be visiting the campus for the recruitment of the 2027 passing out batch during July 2026. In order to enable better student opportunities while also maintaining the average salary standards, we propose the following amendments to the Placement Policy exclusively for the TCS recruitment drive:

Sl No	TCS Offer	Eligibility to Other Placement Process
1	Ninja (₹3.46 LPA)	Eligible for ₹6.5 LPA CTC
2	Digital (₹7.09 LPA)	Eligible for ₹10 LPA CTC
3	Prime (₹9.09 LPA)	Eligible for ₹15 LPA CTC

In addition to the above, Students from Civil, EEE, MCT, Mechanical, and ECE disciplines shall be eligible to appear for Core company recruitment processes irrespective of any offer secured in TCS, provided they forfeit the TCS offer upon getting selected in a Core company.

We request you to kindly approve the above amendment to the Placement Policy exclusively for the TCS recruitment process.
