

## Curriculum Design

	<p>Dr.S. Karthick, Assistant Professor, NIT, Trichy. Board of studies.</p>
	<p>Dr.P Balamurugan, Assistant Professor,Industrial Engineering. and OR, IIT Bombay. Board of studies.</p>
	<p>Ar.Gnaneshwaran, Asst.Vice President, ILFS Clusters, Chennai. Board of studies.</p>
	<p>Mr.P.Chinnadurai, Sr. Project Leader, Jasmin Infotech Pvt. Ltd. Member of advisory council -Board of studies.</p>
	<p>Dr. S. Manivannan, General Manager, Siemens Limited, Member of advisory council -Board of studies.</p>
	<p>Dr. S. Deepak Ram Prasath, Project Manager, Thiagarajar Telekom Solutions Limited. Member of advisory council -Board of studies.</p>
	<p>Dr.S.Rajkumar, Sri Lankan Technologies, Sri Lanka, Member of advisory council -Board of studies.</p>

	Er.P. Ganesh Kumar, Deputy General Manager, One Credit course on Waste water treatment.
	Dr. G. Thavasi Raja, Assistant Professor, NIT, Trichy. Contributed as a Project Review Member.
	Er.Rajvikram Elavarasan, Subject Expert at Research and Development Division (Power& Energy), Nestlives Pvt Ltd, Chennai -91. Contributed as a Project Review Member.

### Higher Studies and Placement Opportunities

	Er.Karthick Srinivas, Research associate at Center for Innovative construction technology, University of Malaya, Malaysia interacted with the students on opportunities for higher studies in universities abroad.
	Ms.Abinaya Sekar, Senior Research Fellow at NIT, Calicut, interacted with the students on opportunities for higher studies in universities abroad.
	Mr.P. Jayasooriya, Engineering Intern at ISAT and Pursuing Masters in Automotive Engineering for sustainability in Polytech, Orleans, France gave insight on the opportunities for higher studies abroad.
	Dr.Diwakar Krishnamurthy, Professor, Department of Electrical and Software Engineering, University of Calgary, Canada interacted with students on the Opportunities for Higher studies Abroad.
	Mr. S. Udaya Bhaskar, BE., MBA, Management Consultant, Boston Consulting Group, Chennai gave guidance to prepare for CAT and GRE Examinations to VII Sem students of B.E Mechanical Engineering.

	Mr. B. Stalin, BE., I.R.S, Deputy Director of Income Tax (Investigation), Madurai provided the guidance to prepare for UPSC Examinations to V & VII Sem students of B.E Mechanical Engineering.
	Mr. Abhishek Sudharsan, BE., M. Des, Experience Designer, Experience Designer, Moonraft Innovation Labs, Bangalore provided the guidance to prepare for CEED Examination to V & VII Sem students of B.E Mechanical Engineering
	Mr. M. Logesh Karthick, BE., Program Analyst Trainee, Cognizant Technology Solutions (CTS), Coimbatore provided the guidance to prepare for GATE Examination to V & VII Sem students of B.E Mechanical Engineering.
	Mr. Jeshuren Chelladurai, Research Scientist at BUDDI.AI and PhD Scholar@ IITM, Delivered a presentation in the Webinar on Awareness Programme on Higher Studies.
	Mr.O.E.Kishore Lal, Presently doing M.Sc. International business Management, Northumbria University, London interacted with students about Higher studies abroad.

### Student Interactions

	Er.Vignesh, Assistant Manager, Chennai Metro Rail Ltd., contributed to enrich the faculty and professionals of Civil Engineering with exposure to emerging technologies for managing infrastructure projects through the Faculty Development programme on managing infrastructure projects using emerging technologies.
	Er.J.Sevvel Poomozhi, Senior General Manager, Cost Audit, Planning and PMO,Sobha Limited, Bangalore contributed to enrich the faculty and professionals of Civil Engineering with exposure to emerging technologies for managing infrastructure projects through the Faculty Development programme on managing infrastructure projects using emerging technologies.

	<p>Dr.M.Prabha, Assisitant Professor,NIT-Trichy, contributed to enrich the faculty and professionals of Civil Engineering with exposure to emerging technologies for managing infrastructure projects through the Faculty Development programme on managing infrastructure projects using emerging technologies</p>
	<p>Dr.D.Srividya, Lecturer,Otago Ploytechnic,Auckland,New Zealand, contributed to enrich the faculty and professionals of Civil Engineering with exposure to emerging technologies for managing infrastructure projects through the Faculty Development programme on managing infrastructure projects using emerging technologies</p>
	<p>Dr.Ramvijas N. Parasuraman, Assistant Professor, Department of Computer Science, Director, HeRo Lab - Heterogeneous Robotics Research Lab, University of Georgia (UGA), Contributed towards the Faculty Development Program on Foundations of Deep Learning using Python.</p>
	<p>Er.Naveen Kumar JP, Grab,Information Technology and Services, contributed towards the Faculty Development Program on Research Perspectives of Machine Learning with IoT.</p>
	<p>Mr.Satish Kumar.K, Deputy Chief Manager/ HR, NLC India Limited, delivered a speech to create awareness among the students about Modernizing Business Processes and Systems and Automate Business Solutions.</p>
	<p>Ar.S.Dineshkumar, Co-Founder and CEO, Pranav Mantraa Studios, Chennai, Shared his Knowledge in the field of Interior Design through a Presentation to students of Architecture department.</p>
	<p>Mr.Sundar Alagumalai, Senior System Analyst, Blue Cross and Blue Shield of Illinois, gave insights into Apache Spark and motivational talk to direct second year students through webinar. Also, he mentored around 10 student projects and facilitated internship for 5 students at IBM as a follow-up.</p>

	<p>Er.Suresh Rajagopal, Staff Engineer,Equinix, Singapore, interacted with the students in the Workshop on Mobile app development in iOS</p>
	<p>Mr.Sivananthan Mani, Associate Business Consultant, Tech Mahindra, gave insights to the students of MCA in the Workshop on Mobile app development in Android</p>
	<p>Mr. Chelladurai H, Assistant Professor, IIITDM, Jabalpur, explained about the concepts in Design of Experiments to the Post graduate students of Industrial Engineering.</p>
	<p>Er.Balasaravanan TRS, CEO- Togle Automation, interacted with the Second and third-year students of Mechatronics and Mechanical engineering Department.</p>
	<p>Er.Santhosh Sivan D, CEO- Togle Automation, interacted with the Second and third-year students of Mechatronics and Mechanical engineering Department.</p>
	<p>Dr.T.Ganesan, CTO, MMRFIC Technologies Pvt Ltd, Bangalore, explained about RIS for localization &amp; data in 5G and B5G networks in the Workshop on "6G Wireless Communications - Theory &amp; Practice".</p>
	<p>Dr.S.Rajkumar, SriLankan Technologies, Sri Lanka, explained about Futuristic NOMA Networks in 6G in the Workshop on "6G Wireless Communications - Theory &amp; Practice".</p>

	<p>Mr. Sadagopal Venugopal, Principal Engineer, Microchip Technology (India ) Pvt Ltd., interacted with the students of ECE Department on Opportunities in the Core field.</p>
	<p>Er.Vignesh, Assistant Manager, Chennai Metro Rail Ltd., graced the inaugural function of civil engineering association as a chief guest to motivate the students.</p>
	<p>Er.Prabhu, MD- Valar Constructions, graced the inaugural function of civil engineering association as a chief guest to motivate the students.</p>
	<p>Mr.C.SunilKumar, Microsoft,Product Development,Software Development Engineer , interacted with the students on Outcome,Professional Ethics and Learning in Dream companies during IT Association inauguration.</p>
	<p>Dr. R. Venkatraman, Outstanding Scientist, Deputy. Director, VALF and Project Director, SDSC SHAR, graced the inaugural function of mechanical engineering association as a chief guest and motivated the students.</p>
	<p>Mr.Jegannath Malaiswamy, Head-Operations, Roots Industries India Limited, Medical &amp; Agro Division, Coimbatore, graced the inaugural function of mechanical engineering association as a chief guest and motivated the students towards development.</p>
	<p>Er.Rajesh Pandian Research Scholar,IIT -Madras, interacted with the students on Research Practices.</p>
	<p>Mr.K.Anbarasan, Director - Engineering, Capgemini, shared information on how to prepare for interviews and search for companies relevant to their area of interest.</p>

	<p>Ms.Arthe Chandrasekar, System Engineer, TCS, interacted with the students on the topic -Fear -Biggest Strength.</p>
	<p>Ar.K.Yogeshwari, Urban Design Lead and Architect, Australia, interacted with the First year B.arch students during orientation programme.</p>
	<p>Ar.TSJ Deepak, Founder,Foursquare Architects, interacted with the First year B.arch students during orientation programme.</p>
	<p>Mr.S Manojkumar, Solution Consultant (Full Stack Developer), Sahaj Software Solutions, gave insights to students on Probable questions that would be asked in Interviews during the TCE-IT Coders Club – Tech-talk on Data Structures and Algorithms</p>
	<p>N. Sankaran, Member Technical staff, Zoho Corporation, gave an overview of various IT companies like core/product-based companies etc.</p>
