

TCE FACULTY ACHIEVEMENTS

Dr. R. Vasudevan (left) receiving the prestigious Padma Shri award in 2018

Dr. R. Vasudevan is the Dean (Extra-curricular activities) and Professor in the Department of Chemistry, Thiagarajar College of Engineering. TCE is proud to mention that he has received the second Indian patent for his invention **“A Process and a System for Manufacturing Tiles/Blocks from Waste Plastics”** in September 2020.

He is a recipient of the **Padma Shri**, the fourth highest civilian honour of the Government of India in the year 2018. Dr. Rajagopalan Vasudevan is known as the “Plastic Man of India” for devising an innovative way of disposing of plastic waste – by using it to build roads.
