## About the Conference

The International Conference on AI in Construction and Sustainable Built Environment organized by the Department of Civil Engineering, aims to bring together researchers, academicians, and industry experts to discuss emerging trends in artificial intelligence, smart infrastructure, and sustainable construction practices. Conducted in hybrid mode, the conference provides a platform for knowledge exchange, innovation, and collaboration toward developing resilient and environmentally responsible built environments.

## About TCE

Thiagarajar College of Engineering (TCE), established in 1957 by the philanthropist Karumuttu Thiagarajar Chettiar, is a premier government-aided autonomous institution affiliated to Anna University and approved by AICTE. Accredited with NAAC A++ (3.56 out of 4) and with several programmes accredited by NBA, TCE offers UG, PG, and Ph.D. programmes supported by advanced laboratories, strong industry collaborations and innovative CDIO and OBE based teaching frameworks.

## About the Department

The Department of Civil Engineering was established in 1957 and has grown full-fledged with specializations in all the major areas of Civil Engineering. It works on the theme area of "Eco Friendly Structures". It has taken up various sponsored research programmes apart from regular teaching and research activities and has collaborated with industries to work for Govt., Semi-Govt. and other private organizations. The department offers programmes at undergraduate, post graduate and doctorate levels. The Department has been awarded with 6 years accreditation by NBA since 2025 to 2031.

INTERNATIONAL CONFERENCE  
ON

AI IN CONSTRUCTION AND SUSTAINABLE  
BUILT ENVIRONMENT - ICAIC 2026

17 - 18 December 2026

Thiagarajar College of Engineering  
Madurai, Tamil Nadu, India.

Organized by  
Department of Civil Engineering  
Mode: HYBRID

## Chief Patron

**Mr.K. Hari Thiagarajan**  
Chairman & Correspondent

## Conference Chair

**Dr. L. Ashok Kumar**  
Principal

## Convener

**Dr. S. Arul Mary**  
Professor & Head,  
Department of Civil Engineering

## Organizing Secretaries

**Dr. D. Brindha**, Professor  
**Dr. G. Chitra**, Professor  
**Dr. R. Indrajith Krishnan**,  
Assistant Professor

Dept. of Civil Engg., TCE, Madurai.

## THEMES / TRACKS

1. Advanced Structural and Construction Materials
2. Sustainable, Green, and Circular Materials
3. Smart and Functional Materials
4. Nanomaterials and Advanced Characterization
5. Materials for Energy and Environmental Applications
6. AI and Data-Driven Materials and Construction
7. Advanced Materials & Structural Integrity
8. Electronic and Functional Materials for Smart Infrastructure
9. Smart and Resilient Urban Planning
10. Emerging and Bio-Inspired Materials
11. Smart & Automated Construction Execution
12. Sustainable Water & Waste Management
13. Circular Economy and Resource Management
