TCE/IT/CII/Cyber-Week/01 1374

18.May 2017

**SUBMITTED TO THE CHAIRMAN AND CORRESPONDENT**

Respected Sir,

**Sub:** Participation of Mr M Thangavel AP-IT in "CII - Cybersecurity Mission to Israel, Jun 24-29, 2017" - Request for approval - Reg

**Ref :** Chairman Approval letter - dated 04 05 2017 & CII Invitation letter - dated 18.04.2017

With reference to chairman sir's approval & CII Invitation letter cited, Mr. M. Thangavel AP-IT, will participate as a delegate in **3rd India Cyber Security Mission to Israel from 24 - 29, June 2017 organized by CII at Tel Aviv University, Israel**. The main objective is to forge techno-business partnerships between Indian and Israeli Industry, academic and research institutions in the areas of cyber security.

The estimated expenditure is as follows.

Details	Amount
Delegate Registration Fees	Rs. 20,000
Visa Process	Rs. 5,000
Lodging (7 Days)	Rs. 50,000
Travel Allowances (Flight Travel)	
✓ Madurai to New Delhi (IndiGo - 22.6.17)	
✓ New Delhi to Tel Aviv-Yafo, Israel (Ethiopian Airlines - 23.6.17)	
✓ Tel Aviv-Yafo, Israel to New Delhi (Ethiopian Airlines - 30.6.17)	
✓ New Delhi to Madurai (IndiGo - 1.7.17)	Rs. 50,000
Travel Allowances (Local Conveyance)	
✓ TCE to Madurai Airport	
✓ Israel Airport to Israel Hotel	
✓ Israel Hotel to Tel-Aviv University (6 Days)	
✓ Israel Hotel to Israel Airport	
✓ Madurai Airport to TCE	Rs. 50,000
DA (8 Days) - \$75 per day	Rs. 40,000
Miscellaneous (Conference event materials - Kit, Brochure, Contest & Technical Talk)	Rs. 10,000
Total (Rupees Two lakhs Twenty Five Thousand Only)	Rs. 2,25,000/-

The budget has been prepared based on interaction with the CII single point of contact Priyanka Mukhija. The approval may please be granted to participate in the **3rd India Cyber Security Mission to Israel from 24 - 29, June 2017 organized by CII at Tel Aviv University, Israel**.

INDIA

Dear Sir,

**APPOINTMENT AS VISITING ASSOCIATE PROFESSOR AT UNIVERSITI MALAYSIA  
PAHANG**

We refer to the above matter.

2. It is our pleasure to inform you that the university has agreed to appoint you as below :

Position : **Visiting Associate Professor**  
Length of employment : **One (1) month** *(effective from the date of reporting duty)*  
Faculty : **Faculty of Manufacturing Engineering**

3. During your service, you will be reported to the Dean of the Faculty. However, you are subject to be transferred or secondment to any faculty, centre, division, department or section in the university when required in the course of performing your duties.

4. This appointment does not involve any expenses by the university.

5. Your entry into this country is subjected to the Malaysian Immigration procedures. We will assist you in obtaining the necessary official document/clearance required, but you will be responsible to pay for the Multiple Entry Visa and other attendant charges as require by the Immigration Department.

6. You can opt to contribute to the Employees Provident Fund as stipulated in the Employees Provident Fund Act 1951(Revised 1982).

7. This offer of appointment is also subject to satisfactory outcome of a medical report to be certified by the Malaysian Embassy/High Commission. If you decide to accept this offer, please complete the attached Form BPK.L2 by consulting a physician of senior standing. This form is to be returned to us as soon as possible.

**Sub: Invitation to Microsoft Research Faculty Summit 2016**

Dear Prof. Sukanesh,

On behalf of Microsoft Research India, I cordially invite you to the **Microsoft Research Faculty Summit 2016**. The Summit shall be held at Microsoft headquarters in Redmond, Washington, United States July 14-15, 2016 with co-located events on July 16, 2016.

Leading academic researchers and educators join Microsoft researchers and engineers to explore future technology trends that will define the twenty-first century at the fifteenth annual Microsoft Research Faculty Summit. This year, topics include computing devices and the Internet of Things, hardware-software co-design, data visualization, crowdsourcing applications, machine learning, and the algorithms that underlie emerging fields, such as computational neuroscience.

Together with researchers around the world, we aspire to generate groundbreaking ideas, techniques, and tools that enable us to gain the greatest benefit of the data revolution for the good of society. Presentations and demonstrations are key to the summit experience. The detailed agenda of the summit is available at <http://research.microsoft.com/en-us/events/fs2016/>

**Microsoft Research shall bear the expenses of your travel and stay for Faculty Summit 2016.**

We do hope you will accept this invitation and join a select group of academicians in representing India at the Summit.

Yours sincerely,

Satish Sangameswaran  
Sr. Program Manager

## Invitation Letter

September 25, 2014

Prof. Muniasamy Kottaisamy  
Department of Chemistry  
Thiagarajar College of Engineering

Dear Professor Muniasamy Kottaisamy,

We are greatly honored to invite you to “2015 International Symposium toward the Future of Advanced Researches in Shizuoka University”. This symposium will be held on January 27 and 28, 2015 in Hamamatsu Campus of Shizuoka University to strengthen educational and research collaboration and friendship between Shizuoka University and other organizations.

We would be very appreciated if you could make a presentation about scientific research at the conference. Furthermore we would like to share the opportunity to discuss cooperative research with your university.

We would like you to arrange the travel to Japan within 7days (from departing your country to returning to your country). Research Institute of Electronics, Shizuoka University shall support the travel expenses including air fare, transportation fee in Japan and accommodation fee in Hamamatsu. In addition, the invited guest is exempted from the symposium registration fee.

We very much appreciate your kind cooperation and look forward to seeing you at the symposium.

Sincerely yours,

Professor Hidenori Mimura

Director  
Research Institute of Electronics,  
Shizuoka University

## INVITATION TO ATTEND ASIA ACADEMIC FORUM IN TAIPEI, TAIWAN - November 18 – 19, 2014

---

From: Verma, Sumeet [sumeet.verma@intel.com](mailto:sumeet.verma@intel.com)  
To: [pccse@tce.edu](mailto:pccse@tce.edu)

Sun 31 Aug, 2014, 9:51 PM

Dear Prof Chitra

Intel invites you to attend the 'Asia Academic Forum 2014' themed '**Asia: The Next Evolution of Computing**' from November 18 – 19, 2014 at the Regent Hotel in Taipei, Taiwan.

Now in its eighth time running, the forum is organized for top professors from key universities around Asia that Intel collaborates with, namely in China, India, Japan, Korea, Malaysia, Taiwan and Vietnam.

The Asia Academic Forum aims to:

- Build and foster sustainable, long-term partnerships between Intel and the Academia on technology research and development, as well as with the industry talent pool
- Promote world class research ecosystem
- Showcase academic partnerships with Intel on curriculum development and technology research
- Advance academic understanding of applied strategic research in Intel Technology

The Forum will be focus on the newest trend on IoT (Internet of Things) and important technologies: Data analytics and security, Big data analytics, Software defined infrastructure (including SDN), humancomputer interface, computer vision (PerC).

There will be sub-forums running concurrently titled 'Emerging Technologies' and 'Embedded Intel Architecture for Internet of Things'. The forum also features two networking sessions – first, an Intel Academic Collaboration Showcase: a platform provided to faculty members allowing them to exhibit their collaborative projects; and second, an Intel Innovation Showcase; where engineers and technologists from the Intel Labs showcase innovative works and future technologies.

Intel will be responsible for all business expenses incurred during your trip to Taiwan as listed below:

1. Flights to and from originating country and Taiwan on Economy Class.
2. Transportation to and from the Taoyuan International Airport (TPE) and Regent Hotel via car or minivan.

Dr D Jeya Mala &lt;djmcse@tce.edu&gt;

## Chair Confirmation Notification - Intl. Congress 2014

---

Rajkumar S | [intcongress.com](http://intcongress.com) <[intcongress.com@gmail.com](mailto:intcongress.com@gmail.com)>

Tue, Feb 18, 2014 at 1:50 AM

To: [djmcse@tce.edu](mailto:djmcse@tce.edu)

Dear Jeya Mala D,

Greetings from ASDF!

We are really delighted to have you as the Chair for International Congress on Software Engineering 2014 which is scheduled to happen this November 19 - 21, 2014 at Holiday Inn Silom, Bangkok, Kingdom of Thailand. As a Chair of the Congress you don't have any financial commitment or any responsibilities regarding to the Finance of the Conference. Also all the Conferences is NOT FOR PROFIT and with the ultimate goal that Research in Academic and Industry to rapidly increase its shift.

The travel part will be taken care by the ASDF - Thai Chapter in association with the Thai Airways. You are requested to check the nearby port of boarding at [www.thaiairways.com/en/plan\\_my\\_trip/international\\_destination.page](http://www.thaiairways.com/en/plan_my_trip/international_destination.page) and inform us in the Biography Form. Regarding to the accommodation, the complimentary accommodation will be provided to the Chairs at the Conference Venue as a gesture.

We would wish that the Congress has tons of submissions and all the papers containing the Chair's name as Author or Co-author will be eligible for a reimbursement of 20% on the registration fee paid. Plagiarism check should be done strictly to ensure the quality of the Congress all the time. Totally in this Congress we are aiming at 4400 Technical Papers, 44 Volumes of Proceedings with unique ISBN and DoI for all the publications. Few Reputed Journals have shown their interest towards the association with International Congress.

We take this opportunity to invite you to submit your profile in Paragraph Text which can be included into the website at <http://intcongress.com/bg/> on or before 25th February, 2014 and ease the process of indexing. Also this email can be considered as the Official and Formal Confirmation by the Super Chairs of the International Congress 2014.

The particulars related to your Congress is as follows:

Name of the Congress : International Congress on Software Engineering 2014

Short Code of the Congress : ICSE2014

Paper Submission Page : <https://www.easychair.org/conferences/?conf=icse2014>Conference website : <http://intcongress.com/icse2014/>eMail ID of the Congress : [2014@intcongress.com](mailto:2014@intcongress.com)Listener Registration : <http://www.intcongress.com>

Further queries, please contact us through email.

**Tamil Nadu, India.**

Dear Dr. S. Charles Raja,

Greetings to you!

As one of the activities of the Centre for Electric Energy and Automation (CEEAA), Faculty of Engineering, Multimedia University, Cyberjaya, invited you to share your successful research experience with our students and academic staff.

Having accepted our invitation, you were kind enough to be with us in Malaysia during 2017 May 13<sup>th</sup> to 16<sup>th</sup> and presented a **Seminar on Recent Trends in Power System Deregulation on 15<sup>th</sup> May 2017**. Your technical presentation was thorough, interesting, informative and interactive. Your interaction with our senior faculty members were technically sound and it has thrown some light on further research collaboration through research students' short visits between the two universities.

On behalf of the Centre for Electric Energy and Automation (CEEAA), Faculty of Engineering, Multimedia University, Cyberjaya, I thank you very much for your time and effort to be with us and your valuable presentation to our students.

With regards,

Prof. Dr. C. Palanichamy  
Chairperson,  
Centre for Electric Energy and Automation

Thiagarajar College of Engineering

### **Invitation to the 14th International CDIO Conference in KANAZAWA**

Dear Dr. Baskar Subramanian

Kanazawa Institute of Technology (KIT) is pleased to announce that we are jointly organizing the 14th International CDIO Conference in KANAZAWA with International College of Technology (ICT). The theme of the conference is "Innovations in Engineering Education".

In this conference, CDIO collaborating institutions gather to exchange ideas and experiences, review developments at each institution, assess the Initiative's progress and further refine the project. The meetings offer many opportunities to learn about CDIO and to discuss its implementation in new locations.

For more details, please visit our CDIO site <http://www.kanazawa-it.ac.jp/cdio2018/> .

We look forward to meeting you and sharing our collective experience of implementing CDIO, and together exploring ways in which our curriculum practices can make the learning of engineering most relevant and interesting for our students.

On behalf of the KIT and ICT community, I would like to cordially invite you to attend the above mentioned meeting. I believe you will find this program to be of great value to your understanding and implementation of CDIO.

If you have any questions and requests, please feel free to contact the organizing committee of the forth-coming meeting.

Sincerely yours,

Masaaki Shikada  
14th International CDIO Conference Chair  
Vice President  
Kanazawa Institute of Technology

7-1 Ohgigaoka, Nonoichi,  
Ishikawa 921-8501 Japan  
Tel. +81-76-248-1100

[www.kanazawa-it.ac.jp](http://www.kanazawa-it.ac.jp)

To

Chairman and Correspondent,  
TCE, Madurai

Respected Sir,

Sub: Request for permission to attend CDIO Asian Regional Meeting –reg.,

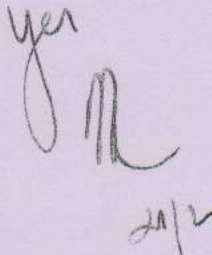

*The CDIO™ INITIATIVE is an innovative educational framework for producing the next generation of engineers. The framework provides students with an education stressing engineering fundamentals set in the context of Conceiving — Designing — Implementing — Operating (CDIO) real-world systems leading to product design and development. The activities within the CDIO Initiative are based on CDIO curriculum and twelve CDIO standards. Around 120 institutions including MIT, Stanford, KTH, and Chalmers are members of CDIO consortium.*

In order to implement CDIO framework at TCE, Dr.S.Baskar, Professor & Head, EEE Department and Dr.S.J. Thiruvengadam, Professor, ECE Department were deputed to attend **11<sup>th</sup> CDIO international conference** at Chengdu, China during June 2015. After attending this conference, fifteen member “**TCE-CDIO**” core group was formed with due representation from all the departments. Two CDIO workshops are successfully conducted to sensitize the core group members in CDIO standards, curriculum and programme evaluation. Since Nanyang Polytechnic-Singapore is leader for the Asian region of CDIO consortium, Dr S.J. Thiruvengadam attended the Workshop on “**Advancing, Innovating and Sustaining CDIO**” at Nanyang polytechnic, Singapore during December 2015. Then, Dr. Dennis Sale, Asst. Professor, Nanyang Polytechnic was invited to conduct one-day **CDIO workshop** on 7<sup>th</sup> December 2016. In the upcoming 2018-19 curriculum revision, existing curriculum will be revised by introducing CDIO concept.

In order to become the member of *CDIO™ INITIATIVE*, all the current CDIO members should support our membership application. To meet all the CDIO regional members and discuss CDIO implementation with them, attending the upcoming CDIO Asian regional meeting at Vietnam will be very much useful.

In this regard, we request your kind permission to depute Dr. S.Baskar, & Dr. S.J. Thiruvengadam to attend the CDIO Asian regional meeting 12-14<sup>th</sup>, March 2018 at Vietnam. Also, we request you to grant Rs 1,50,000/- (One Lakh Fifty thousand only) towards Registration, travel, accommodation and other expenses.

Thanking you,

Yours faithfully

From the Commissioner of Technical Education letter  
No.15871/A4/2015, dated 10.6.2015.

\*\*\*\*\*

#### ORDER:-

In the reference cited, the Commissioner of Technical Education has requested the Government to issue 'No Objection Certificate' to Dr. N. Kamaraj, Professor & Head of Department, EEE, Thiagarajar College of Engineering, Madurai to visit U.S.A. (to visit various Universities to establish Academic and Research Collaboration at USA) for a period of 12 days from 19.6.2015 to 30.6.2015 on Earned Leave.

2. The Government have examined the above proposal and decided to accept it. The Government have no objection to permit Dr. N. Kamaraj, Professor & Head of Department, EEE, Thiagarajar College of Engineering, Madurai to visit U.S.A. (to visit various Universities to establish Academic and Research Collaboration at USA) for a period of 12 days from 19.6.2015 to 30.6.2015 on Earned Leave for the above period subject to the following conditions:-

- i) that he should not take up any appointment or undergo any training or studies during his stay abroad without prior approval of the Government.
- ii) that the Government will not be made liable for any expenditure including his travel expenses etc.,
- iii) that he should not tender resignation of the post held by him in this State and his resignation will not be accepted on any account.
- iv) that he should not use this No Objection Certificate for any subsequent trip without the prior permission of the Government.

## **Letter of Invitation and Guarantee** **For Prof. Chandran Sundararaj and Prof. Balaji Gnanavel**

This is to confirm that Prof. Balaji Gnanavel and Prof. Chandran Sundararaj are being invited as reviewers of the Urban Design Studio of the Graduate School of Architecture Planning and Preservation at Columbia University in New York. They are the Professors in-charge of the joint project between Columbia University and Thiagarajar College of Engineering (TCE) in Madurai. They were both a tremendous resource to the students when we visited Madurai in December 2015, and continue to work with us.

The joint projects between these two institutions is focusing on urban and landscape/ecological design issues dealing with rapid urbanization and possible ways to protect and restore the ecology of the Vaigai River and the elegant system of historic tanks which is now under threat from real estate pressures. We believe that Prof. Chandran and Prof. Balaji's input and comments to the students will be of great value to ensure that student work is of as much relevance to the community as possible.

We would like to invite them to work with us for 4 days between March 6 and April 30, 2016. Our Mid Term review is scheduled on March 7, and it will be very helpful if their visas can be processed before that. However, if more time is needed for processing their visa, we would like them to come as soon after this as possible.

The details of the invitees are given below:

Prof. Chandran Sundararaj  
Passport No: M2729604  
Date of birth: May 2, 1975

Prof. Balaji Gnanavel  
Passport No: N6645282  
Date of birth: Feb 21, 1978

We will be responsible for all expenses relating to their visit during their stay in USA, as well as their return travel expenses. While in USA, we are making arrangements for their stay at the Hudson Hotel in New York located at 356 W 58th St, New York, NY 10019.

We also assure you that Prof. Chandran Sundararaj and Prof. Balaji Gnanavel will abide by all the laws and regulations of USA while here.

Yours sincerely,

Kate Orff  
Associate Professor and Director of the Urban Design Program  
Graduate School of Architecture, Planning and Preservation
