EMPLOYER SURVEY

We greatly acknowledge you for showing continuous interest in recruiting our graduates to your esteemed organization. We hope that our graduates have been performing to your expected level of satisfaction. To enhance performance of future graduates still better, we have been conducting stakeholder survey every year. As you are one of the important stakeholders for us, we request you to spend your valuable time for recording your responses. The purposes of this survey are to:
- Assess the technical competence level of our graduates in practice area,
- Measure the extent of demonstration of transferable skills by our graduates, and

We consider your opinions as essential for the continued improvement of the quality of our programmes, and we appreciate your time in filling out this survey. If you need any clarification about this survey, please send your queries to Department of Civil Engineering, Head of the Department at hodciv@tce.edu
